

## ON-LINE BOOK FAIR

**Note – this is the 2<sup>nd</sup> list, updated and greatly expanded**

The library needs to be catalogued but, before this can begin, we need to rationalise the vast number of books here in the college. This process will inevitably result titles being designated *surplus to requirements*. Some of these may simply be duplicate copies and other titles might be considered to be of minor use for the college. Much as we would like to keep everything, we have to remember that the library is constantly growing, yet space is not unlimited.

The *On-line Book Fair* will be a regular monthly feature. Each month books on the list will be deleted as they are sold and then more titles will be added. The proceeds will go towards the development of the college, including the planned Common Room. The books, which are very miscellaneous, will be listed in two general categories: 1) Religious and 2) Non-Religious.

Please peruse the list carefully but do not send cash when ordering. Books will be sold on a *first come, first served basis*.

Just email ([churchmettingham@aol.com](mailto:churchmettingham@aol.com)) or telephone us (01986 895176) with your order. We will send you an invoice with the books. Postage will be charged at cost. Cheques should be made payable to *Mettingham Orthodox Trust*.
